8:00-8:25 Breakfast

I am thrilled to be writing this letter as your new principal! My name is Eileen Gow, and I am honored to have been chosen to lead this wonderful school. I am excited to work alongside our dedicated staff, engaged students, and supportive families to continue the tradition of excellence that is synonymous with our school.

I come to this position with a passion for education and a commitment to fostering a positive and inclusive learning environment. Throughout my career, I have had the privilege of working with students of various backgrounds and abilities. I believe that every child has unique strengths and talents that should be celebrated and nurtured. I am dedicated to ensuring that each and every student at our school feels valued, safe, and inspired to reach their full potential.

One of my primary goals as your principal is to foster open lines of communication within our school community. I strongly believe that the success of our students lies in the collaborative efforts of parents, teachers, and administrators. I encourage you to reach out to me with any questions, concerns, or ideas you may have. I am here to listen and to work with you to create the best possible educational experience for our students.

In the coming weeks and months, I will be getting to know each of you and familiarizing myself with the unique strengths and needs of our school community. I will be visiting classrooms, attending school events, and meeting with teachers, staff, students, and families. My door is always open, and I welcome your input and involvement in our school.

I want to express my gratitude for allowing me to join this incredible school community. I know that together, we can continue to create a positive and enriching educational experience for our students. I am confident that this will be a year filled with growth, learning, and success.

I look forward to getting to know each of you and working together to make our school the best it can be. Thank you for your warm welcome, and I am excited to embark on this journey with you all!

Sincerely,

*Eileen Gow*

Principal
