## **1. Family Engagement Calendar**

- Past Event Update:
  - OMA Performance
  - Band & Orchestra Concert (4<sup>th</sup> & 5<sup>th</sup> grade)
  - Dance Performance (K & 2<sup>nd</sup> grade)
  - Quarterly Award Ceremony
- Upcoming Events
  - Feb. 9-13 Love of Reading Week
  - Feb. 19-20 Parent/Teacher Conference

Notes: Past events were successful. During the quarterly awards ceremony, we began recognizing students who met their individualized growth goals and stretch goals for the school year. This marked a significant milestone, as many students achieved their end-of-year goals halfway through the school year, making the celebration especially meaningful.

## **2. Love of Reading Week**

For Love of Reading Week, community members will be scheduled to read to students. A “Love of Reading” tree will be created where students can write the titles of books they read and display them on the tree. Student Council will be contacted to help plan a spirit week in connection with Love of Reading Week.

## **3. Future Agenda items**

Notes:

- Field Day events
- End of year celebrations
